Richwood, Ohio

To you, the students of Richwood High, we, the Staff of the Tigrtrax, dedicate this first yearbook. To your scholastic achievements, to your school spirit, to your student organizations and class activities, we pay honest tribute. The year 1951-1952 has been an outstanding one, but we know that higher and higher goals can be attained through loyal co-operation, through mutual understanding of the true principles of school life, and through admiration of, respect for, and work in American democracy.

This book has been designed as a repository of the many wonderful memories which you would wish to cherish. Time will pass, and students will scatter to the ends of the earth, but here you'll remain together, always.

Senior Class

"Today we follow; tomorrow we lead."

In the fall of 1948 our class first began following the path through high school. Our Freshman year was spent mainly in getting "in the groove" of high school life. We also enjoyed four wonderful class parties under the able direction of Mr. Sowers.

By the time we were Sophomores, we were beginning to take active part in most high school activities. Several boys went out for football and some were members of the outstanding reserve basketball team of that year.

Our Junior year was really a big year. Many of the boys were active on the football and basketball teams. The Junior boys also excelled on the track team and succeeded in setting some new records in that respect. Climaxing that year was the presentation of the Junior play, "One Foot in Heaven," and the Junior-Senior Banquet at Hotel Harding, which we financed through participation in various money-raising campaigns throughout the year.

Beginning the Senior year, we elected Duane Perkins, president; Dick Hosey, vice-president; and Sonalee Converse, secretary-treasurer. Again we contributed to the football, basketball and track teams. Of course there was the traditional flurry of getting Senior pictures taken, choosing class colors and motto, planning the Senior trip, and more important, raising money to finance it. This year we presented a comedy-fantasy entitled "Green Valley."

As we reach the end of our school days, we feel that it has not been in vain, for we have gained many things which will aid us throughout life. Some of us will continue to follow a path through education for the next few years, but sooner or later, we will find ourselves the leaders, no longer the followers.

Underclassmen

Junior Class

The Junior Class began 1951-1952 by collecting sales tax stamps and choosing class rings.

To brighten up the Junior room the class made a large orange and black "R" to keep the stamps in.

The choosing of the class ring became quite a problem, but we finally decided on the Sweetheart style.

To add to its sales tax project, the class served several Lions' Club suppers. This money was used to pay for the Junior-Senior Banquet, which was held at the Seneca Hotel in Columbus, Ohio, on May 9th.

For our initial high school dramatics production, we presented "The Little Dog Laughed," a three-act comedy by Vera and Ken Tarpley. The story of a collegiate psychology major, who insists upon applying her newly-found knowledge at home, to the consternation of her family and the neighbors, made for comic situation and wholesome fun.

Class leaders were Sam Bumgarner, president; Dick Oman, vice-president; Darlene Battles, secretary; and Patsy Shuman, treasurer.

All in all, it's been an interesting and happy time, but we're looking forward to '52-'53, when we in our turn will rule the roost.

Sophomores

We Sophomores were one big happy family. Altogether there were fifty-nine of us.

This was our fourth year in the high school building. When we first came to this building as seventh graders we felt small and lost. In the eighth grade we dominated the upper floor and felt pretty big. On becoming freshmen, however, we felt small and inferior once more. As Sophomores we felt more mature, but we still looked toward our superiors, the Juniors and Seniors, with admiring glances, anticipating the day when we too would become upper-classmen.

As our leader for this year we elected Larry Chapman president. His assistants were Tom Shields, vice-president; Polly Allen, secretary; and Beverly Fields, treasurer. They took care of all our legal business.

The President and Secretary were extended the honor of attending the Junior-Senior Banquet.

During the year our boys developed considerable ability on both the football field and the basketball court. We think that they will go to the top during the rest of our high school years.

We have tried hard to keep up our scholastic record this year by lugging our books home every night and taking at least a peek at them.

We are looking forward to the next two years of high school as being even better than our first two years.

Freshman Class

This has been our first year in high school. Although we began a little frightened, as the year progressed we became more sure of ourselves.

To help us through this first and every important year, we elected Dale Holbrook, president; Kermit Converse, vice-president; and Sandra Turner, secretary-treasurer.

The freshmen class takes pride that it had representatives in all school athletics. We are also proud that we had members in Boys' and Girls' Glee and Mixed Chorus, Band, F F. A. and F. H. A.

Tigrtrax Staff

This year for the first time R. H. S. is publishing a yearbook. We hope that this start will encourage our underclassmen to produce bigger and better annuals.

As we look backover the year of preparation, we remember many hectic, but happy times. We will never forget the running it took to get the advertising, the stack of pictures, paste and scissors, and the feverish rush to make the deadline.

Our efforts will not have been in vain, if in the future years, the Tigrtrax will become more and more precious to you, as it helps you to remember the years of '52 and Richwood High.

The Future Homemakers of America began an active year with a dinner banquet for the Athletic Association. At Christmas time they made candy, some of which was good.

On February 20, they celebrated with a Valentine's Day party, with the F. F. A. looking in on festivities. There were more parties throughout the year.

The F. H. A. journeyed to Columbus on March 4, to see the Sally Flowers television show. A few members were called up to talk to Sally.

The annual F. H. A. banquet was March 21 this year. Almost every member participated in helping make it an outstanding event of the year.

Student Council

The functionof this cabinet is to act as an advisory group for the purpose of establishing a closer working relationship between students and school officials. Various questions of school and student interest are considered by them, as well as the promotion of school activities.

Officers elected for the year 1952 were as follows: Richard Hosey, President; Alan Bowen, Vice-President; and Duane Perkins, Secretary. Our advisor was Mr. Charles Phallen, general science and physics teacher.

Senior Play

The Senior Class Play of 1952 was a hilarious comedy-fantasy in three acts. "Green Valley" by Frank Wattron, was presented March 13, in the high school auditorium, under the direction of Mr. Cochran.

Nestled away in the California hills is tiny, picturesque Green Valley—the kind of place you come upon unexpectedly one day, later recall, but can never seem to rediscover. For a hundred years, the Berry family has owned it. Grampaw Berry himself, it was—a straight-thinking, straight-shooting pioneer—who staked out the original claim back in gold rush days . . . But Eldon Berry, the last of the line, is about to lose it to the unscrupulous hands of one Tobias J. Everheel.

Right now, the loss will be doubly painful. Strangely, unaccountably, Green Valley has become a little paradise of nature. Everything is growing in rampant profusion: juicy strawberries as big as your fist, bright yellow sunflowers higher than a house, beanstalks that shoot up and grow before your very eyes! Most unusual of all is Eldon's cow, Minnie, who imbibes from the renewed bubbling spring and gives gallons of rare milk—milk so rare that those who drink it hear weird music and see people . . . people who officially stopped walking the earth many years before.

Stirred from their eternal rest by the noise of Everheel's tractor and the threat to their valley, Eldon's ancestors are "riz." Peppery Grampaw, Granny, who insists on hooks and eyes instead of buttons and bows, gruff Calhoun, bearded Jeb, mechanical-minded Lonesome, gigantic Powerful, giggle-witted Ransome, and all the rest have come back to fight, to laugh, to love—till the cocky crowing of Ol' Arthur, "the herald of the morn," brings dawn back to Green Valley. Only then does a new and deeper understanding come to a chastened Eldon and a triumphant Prim.

Band

Under the direction of Mr. Robert Reinhard, the band did a ownderful job at the football games and was was highly complimented by other schools and by our own community.

The band played for an American Legion Parade in Richwood at the dedication of the newly erected Legion Hall.

As in previous years, the band participated in the Union County Band at the County Festival, Mr. Fair of Ohio St :e University directing.

After the first of the year, Mr. Reinhard left for the armed services, and Miss Louise Mignin became the new director, instructing the band and preparing it for the band contests.

The band officers this year were--President, Doris Shoup; Vice-President, Sonalee Converse; Secretary, Mary Brelsford; Treasurer, Phyllis Roberts.

The band was fortunate in being backed by the Band Parents Club. Under President Kenneth Kyle, the organization sponsored a wrestling match, a potluck supper, and three dances. With the proceeds of these affairs, the parents purchased for the band an oboe, a french horn, and several uniforms. The Richwood High School Band is essentially a fine product of school and community co-operation.

Varsity Football

It seems a long time since this season's first football game. So let's go back and take another look. It all started with a discouraging loss to Elm Valley, Mid-Buckeye League Champs, by a score of 47-0. The boys then seemed to get the hang of things, and played an inspired game the following week, tying Marysville, 7-7. This was the first time in the last six years we hadn't been beaten by them and we considered it a moral victory, Drodofsky and Fetter to the contrary.

The team then went on to trounce Mt. Gilead 57-0, but was defeated the next week in a bitterly-fought game by the Cardington Pirates, 48-20. Starting to move, they rolled over Plymouth, 48-18, in the annual homecoming game, over which Queen Shirley Southard reigned. The team next went to Marion and defeated a highly publicized St. Mary's team, 6-0. At Big Walnut, with a dazzling display of passing know-how, the boys acquired another victory by a score of 30-12.

The team then got out its fur coats and sleds and defeated Mifflin 12-0 in a blizzard and three inches of snow.

The Richwood Tigers completed the season and increased their winning streak to five sraight with a 30-12 win over Johnstown. At this game, we observed for the first time, a "Dads' Night" in honor of the fathers whose boys gave their all on the gridiron in defense of their school's honor.

Awarded positions on the Mid-Buckeye League team were Dick Griffith and Dick Hosey on the first team, and Bob Millington on the second. Receiving honorable mention were John Blue, Dick Oman, Melvin Foos, Bill Griffith, and Roger Travis.

Varsity Basketball

The Tigers had a very successful basketball season this year. We had an exceptionally tall team, as the first seven average at six feet one inch; and every inch had a lot of fight. Getting off to a comparatively slow start, we started to roll as the season progressed, and compiled an impressive record.

In capturing the Union County crown, the team acquired the distinction of winning the tournament three years, in succession. This was the first time that had been done since 1928.

The team went on to the district at Westerville, where they first defeated New Holland in a second sudden death overtime, 56-54; then upset a powerful Worthington crew 60-52. In the semi-finals they met their doom in the person of Elm Valley, 54-62, thus abruptly ending the season. This was as far as a Richwood team has gone in the district.

High scorers for the season were Dick Griffith with 315; Don McDaniel 248; Dick Oman 239. These three also were elected to the first five of the all-county team.

Junior High Basketball

When Coach Chuck Brobeck called the first practice for these Richwood Futures, twenty-one boys reported. At first they were a little rough, due to lack of experience, but as the season progressed they acquired know-how in the fine art of basketball.

Their only true test before the Junior Tournament at Milford Center was a game with Marysville which they won 24 to 17. They also played Prospect and Pleasant but they were at a decided handicap because these two teams were made up of Freshmen.

At the tournament they played Byhalia for their first game and defeated them 37 to 17. After the game, Mrs. Kyle, a mother of one of the boys, and Mr. Lilly, our janitor, gave a party for the boys.

The cheerleaders for the team were Sally Allen, Kay Brobeck, Jean Willis, and Joyce Marine.

First row, left to right: Charles Spurlock, Verne Payne, James Erwin, William Eaches, James Parrott.

Second row: Jack Beardsley, Charles Warner, James Kyle, Galé Perkins, Roger Sheaver, Michael Thompson, Carl Wood.

Third row: David Rosette, Lester Patch, John Moyer, James Fox, Michael Bernhard, Robert Roberts, Ronald Ballard, Kenneth Ellinwood, Jack Fox.

We're Here To Back The Team

This is an appropriate yell that we oft-times hear from the cheerleaders. No matter what kind of contest it is, football, basketball or track--you will always find these spunky little girls harping at the crowd to yell a little louder.

These girls give up every fourth period, and sometimes after-school hours, to attain co-ordination in their cheers. Although the school has some standard cheers, these girls are never satisfied with these stand bys. They are constantly planning and developing new techniques and improving the old ones. These beautiful "Bouncing Beulahs" have worked long and hard to deserve this modest bit of praise.

Track

The track season of 1951 was one of the most successful in the history of the school. Many new records were made and a new trophy was added to the trophy case. This was the runner-up award in the district. The team placed fourth in the Upper Sandusky Night Relays, then did well in the Ohio Wesleyan Relays. The team ended the season by placing fourteenth in the State meet.
